I love this little book! I bought one for my friend's baby and my nephew. My nephew loves pulling the big flaps to see what's behind them. The whole book, including the flaps, seems pretty sturdy. It is very colorful and a nice little book, especially for the price!

Extremely cute pages with pictures of favorite Disney characters! My wife and I love looking at it almost as much (if not more so) than our kids!

Great gift for young family with a new born to whom they read daily.

Was as expected, would recommend.

My daughter loves the book!! Filled with great characters and colors.

Excellent condition!

Love it. Bright, clear pictures. My girl's love it.

My son loves this book! Nice hard pages pages so at 14 months he can't rip them. Very interested in what's on the pages.
