Fairy Houses 2017 Mini Wall Calendar

Synopsis

The Fairy Houses mini wall calendar reveals a magical world of handcrafted faerie castles and cottages, fanciful fairy retreats and sanctuaries, and habitable hobbit hideaways. Celebrated environmental artist Sally J. Smith builds these exquisite creations from materials found in the wild. Each house begins as a collection of bark, twigs, mosses, and stones and is finished with touches of fragile blossoms, ferns, and butterfly wings that add to their ethereal beauty. When complete, the houses are placed in a natural setting so perfectly suited that they seem surely to have been crafted by fairy hands. An ideal size for your office, purse, or backpack. The perfect gift for the fantasy, fairy tale, and nature art lover. A year of fantastic fairy houses on your wall. Showcases exceptional photographs of magical fairy houses in forests and fields. Frameable artbook-quality printing. Printed on FSC® Certified Mixed Source Paper with soy-based inks. Published by Amber Lotus, an independent carbon-negative US company that has planted more than half a million trees since 2008. This calendar features US and Canadian legal holidays, phases of the moon, and important observances of the world's major religions. Children and adults alike will find inspiration and delight in this creative expression of land art.

Sally J. Smith was a professional watercolor artist and children's book illustrator for more than 20 years before turning her talents to environmental sculptures. Her fairy houses and Eartherals echo the beauty of a special place or moment in time. Smith creates a visual record of a piece at its completion, and whenever possible, after the sculpture is photographed, it is left where it was

made for the nature spirits to enjoy. She lives in the Adirondacks, where resources for her magical creations abound.

I love this calendar. I had the 2016 calendar last year, and when I saw that there was a new calendar for 2017 I snagged it up right away. The fairy houses are amazing, the photography is great, and the calendar has a lot of information, such as holidays, phases of the moon, and when daylight saving time begins and ends. The paper is thick and sturdy. The surface is shiny, so it is difficult to write on it with anything other than a ballpoint pen. Personally, I prefer the look and durability of the shiny surface so this isn't a problem for me, but if you want to be able to pencil things in, you may want to use sticky notes instead of writing directly on the calendar.

The paper is very nice - heavy weight and shiny. The photos are cute and the compositions are done well. The small size is just right for hanging on a magnet on the side of my filing cabinet adjacent to my desk. Easy to get to and enjoyable to look at. Makes me smile!

This is precious! Perfect for my cube at work. The colors are fantastic. Thinking about purchasing a bigger one.

Adorable photos of Fairy Houses... my granddaughter loves it!

Had the 2016 Fairy House Calendar as well. Love them.

I got this for my sister for Christmas 2016 and she loves it!
