Symphony No. 6 In A Minor (Dover Miniature Music Scores)

Synopsis

Dating from the composer's prolific period of 1903â04 and following Mahler's marriage to Alma Schindler by just a year, the draft of this remarkable work â subtitled "Tragic" â is represented by numerous recordings. The symphony incorporates "portraits" of Alma in the first movement and of children playing in a diabolical scherzo â some say, a musical prediction of the tragedy that was to strike the Mahler family within three years. Mahler's Symphony No. 6 is presented here in full score, with bar-numbered movements and ample margins at the bottom of each score page for notes and analysis. Ideal for study in the classroom, at home, or in the concert hall, this affordable, high-quality, conveniently sized volume will be the edition of choice for music students and music lovers alike.

Book Information

Series: Dover Miniature Music Scores

Paperback: 256 pages

Publisher: Dover Publications (March 27, 2003)

Language: English

ISBN-10: 0486428559

ISBN-13: 978-0486428550

Product Dimensions: 6.4 x 0.7 x 8.4 inches

Customer Reviews

Austrian composer and conductor Gustav Mahler (1860â1911) wrote chiefly symphonies and Lieder. Late Romantic in style, his tempestuous works reflect the anxious mood of Europe at the turn of the 20th century. Because of his Jewish roots, the composer's music was suppressed by the Nazis but has enjoyed a steady revival over the past five decades.

This score is of the first edition published in 1906. After the premiere Mahler made significant alterations to the orchestration, and this score, obviously, doesn't incorporate them. No criticism

implied to the seller, just a clarification to a potential buyer.

This score is one of my favorite Mahler symphonies. Overall it is incredible to see his layering of orchestration. You will be amazed at how much underscoring there is that sometimes it's hard to notice. Dover's publication is extremely accurate for the most part. There are a few discrepancies between the score and most performances, but I feel that is probably because Mahler constantly revised the orchestration of his symphonies. Overall, highly recommended if you want to see the symphonic master at work at a very affordable price.
