Customer Reviews

This is another fascinating book in the Murder Most Vile series. I have read several volumes in Keller's various series and this particular series is his most compelling.

I love James Patterson. He is a good author.

A good book.

Another most interesting volume of shocking true crime. Includes Casey Anthony, Ken McElroy, and 16 others that you'll want to read about.

Love this series! I've read all of them, great read. Factual cases, good information, not the same regurgitated facts. Will keep reading!
