not enough details or photos. nit every collector is an antique dealer. would like information about bottles other than the same old high dollar flasks that are listed in every other such book.

Excellent book but wish there was more information on ink bottles. I would recommend this book to others, especially for collectors.

Good, but not for fruit jars. I should have done more research. Seems that the 'Red Book' would have been a a better way to go for getting prices on Mason (and similar) fruit jars. Otherwise, this book is very well done.

Very Happy~?

Great book, easy to find items and prices. Photos are crisp and clear, as are explanations and history. Highly recommend.
