Legend In Green Velvet

Synopsis

Scotland is Susan's passion and obsession, and the opportunity to join a Highland dig is a dream come true for the young archaeology student. But then a sinister stranger slips Susan a cryptic message in ancient verse--and is later found viciously slain. A mysterious peril has unexpectedly emerged from the mists to haunt Susan, sending her running for her life in the company of handsome, unconventional laird Jamie Erskine. Caught up in international intrigue involving the trafficking of historical artifacts, Susan has an unseen enemy hiding in the shadows. That someone is going to great lengths to frame her for murder and to bury Susan, if necessary, in this land she loves.

Customer Reviews

Inexplicably, dragons have become the creatures of choice for fantasy readers. Dragon queen McCaffrey leads off a new treasury, which gathers dragon tales by some of the heavy hitters of the genre, including L. Sprague de Camp, Roger Zelazny, Orson Scott Card, and Gordon R. Dickson. If mystery is more to your liking, Severn House is also offering a hardcover edition of Peters's 1976 *Legend in Green Velvet* in which protagonist Susan finds love and intrigue in the Scottish Highlands. Severn House books can be ordered directly by calling 800-830-3044. Discounts are available. of print or unavailable edition of this title.

Just finished this one yesterday. It's one of those that's hard to put down. I down rated it from a 5 to a 4 only because some parts were pretty unbelievable. Nobody can be that lucky and hardy. On the other hand the ending made me laugh out loud. Something very few mysteries are able to do.

Didn't flow very well. I finished it but had to struggle.

I read this when it first came out. After all these years, it is still a fun read even though the setting is dated.

Good book by one of my favorite authors.

for younger readers. Full of atmosphere.

great author, has better books

This is a delightful mystery set in Scotland. While the mystery is a good one and the characters interesting (Susan, the Scottish history buff and James, the son of Highland nobility), what is most fun is the very atmospheric evocation of Edinburgh and the Highlands. Peters manages to convey lots of Scottish history and legend in this book while keeping it very readable. I highly recommend this for anyone travelling to Scotland. It will heighten enjoyment of the trip.

Great read!!! Loved it. Fun and light mystery with just enough wackiness to please any one!!!
