Customer Reviews

So my 4 grandkids were each given a Melodica (thru) for Christmas. But how do you play it??? They play the piano so the Melodica will not be so difficult. This training book is just what I was looking for -- quality music and duets, too. This book would work for any age and my littlest grand daughter has been able to pick out the simple pieces and the 12 year old is off playing. It's a joy to have quality music. Thank you.
