Brides Of Riverside: A Historical Mail Order Bride Series

Synopsis

Read This Christian Historical Romance Series For FREE with Kindle UnlimitedIncludes A Heartwarming Bonus Collection Of Over 25 Clean Historical Mail Order Bride Stories From Bestselling Authors Faith-Ann Smith and Charity PhillipsIn 1895, when tragedy strikes and the bank repossesses the Barrington sisters' home, all hope is lost--until an orange farmer in California secretly arranges for them to head out west to become mail order brides for his three sons. Will the Wallace brothers welcome the Barrington sisters with open arms? Find out in Brides Of Riverside, a historical mail order bride series by Faith-Ann Smith.

Book 1: Mail Order Bride Willow: When the bank repossesses the house, Willow, the eldest of the clan--and a determined spinster--tries to be optimistic but begins to lose faith when their situation takes a turn for the worse. When her cousin from California offers to make an arrangement for her to marry the son of a man out west, Willow has no choice and accepts. When she meets Joshua Wallace, however, she decides that he is unsuitable and their personalities clash. Joshua comes from a prominent family in Riverside, but prefers to live as a recluse on the wide open plains. He has a wolf for company and has taken five orphans from a nearby reservation under his care. Can they both find a way to live in peace and keep their sanity intact?

Book 2: Mail Order Bride Lily: Lily is a soft-spoken girl with a large heart. When she receives her invitation to travel to California, she is eager to go, despite her fears. She quickly falls for her betrothed, Jasper Wallace, but her love is unrequited. When his father asks him to make Lily his bride, Jasper plans to get out of the engagement as soon as he can, but Lily's heartfelt personality soon begins to intrigue him; not even the vibrant Daisy May Meriwether can keep him away. When Lily is bitten by a snake, Jasper is terrified of losing her and vows to become a better man. Will his prayers be heard in time, or will he tragically lose the woman of his dreams?

Book 3: Mail Order Bride Rose: When kind-spirited Rose is asked to travel to Riverside and become the bride of Joseph Wallace, she is eager to accept. She admires Joseph from the moment they meet, but she can tell that the feeling is not mutual. Joseph is emotionally scarred from a broken heart. He now feels that all women can't be trusted, so when he meets Rose, he devises a plan: to ask for her help in opening a new restaurant, and then to dismiss her after its grand opening, never looking back. Little does he know, however, that Rose's kindness and love will threaten to destroy the very fabric of Joseph's deep-seated beliefs. Can he get over his prejudice and finally learn to love again, or is heart too wounded to heal?

Customer Reviews

I love mail order bride stories and these are some of the best.

Loved this series. It was nice not to have graphic sex and the stories were very enjoyable. Would purchase more if this type of reading material.

This was a special collection of stories about people finding real love after traveling across this great country. The characters were from all walks of life with different types of people finding out about the people that had answered the advertisement that had been posted in the paper. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters as they were facing a new life.

This is a collection of short stories, some of which have appeared in another collection, as I have read them before. The editing leaves much to be desired. Overall, I was disappointed.

These are heartwarming and encouraging stories that show you that no matter how terrible things seem, God is watching out for us. Just when things seem the darkest, just around the corner (or on the other side of the country in this case) is a shining light leading us to a bright future.

I found the plot in these books very uplifting and the books very well written. It kept me very enthralled. I would recommend these books to anyone who loves westerns and wants a good light read.

As per the bride books I have already completed they have been a fabulous read.. Every one should get the chance to enjoy. Barbara Trudeau

Such a wonderful story. This family was truly a huge blessing to one another. Being together meant so much to them.
