Customer Reviews

This book has a strong smell to it. So strong that I won't be able to use it. It is very pungent. Not pleased with this purchase.

Lots of great recipes that I will be using for my annual Christmas party.

My favorite Christmas recipes, including an awesome egg nog, orange french toast, the best chicken liver pate, carrots in orange ginger sauce, honey ham, candied orange peel, butter cookies and even doggie treats for the holidays. Of course there is much more. You will be sure to find several favorites that you end up making over and over again.

If you collect Susan Branch books then you can't be without this one! The recipes are great but just

looking at all the pictures and quotes and drawings give you a feel good feeling. All of Susan's things are great and I'm so glad that they are available on .

Love the cookbook.

Book was as presented and delivery time was great.

I ordered this with the description as "good condition" the pages weren't connected to the spine any longer and falling apart, I love Susan branch but damn that's depressing lol

As with the other books by Susan Branch, Christmas from the Heart of the Home is a beautiful and joyful book. Wonderful ideas and recipes in her unique style. Love it. Thank you, Susan.
