Captain Awesome Vs. The Evil Babysitter

Synopsis

Captain Awesome is up against his greatest villain yet when heâ™s stuck with a babysitter for an entire weekend. Will the Sunnyview Superhero Squad prevail? Eugene McGillicudyâ™s parents are going away for the weekend, and they have just said the most horrible, ear-splitting words an eight-year-old boy could hear: âœYour babysitter will be here any minute.â• NO! How will Captain Awesome and the Sunnyview Superhero Squad hold their top-secret evil-fighting meetings? How will the superheroes even be able to protect Sunnyview if Captain Awesome is constantly being monitored? And when the babysitter makes Eugene do things like eat all the broccoli on his plate, and wonâ™t let him call his best friend Charlie (aka Nacho Cheese Man), Eugene is sure sheâ™s a villain. Will Captain Awesome be able to save himself (oh, and his little sister) from the evil babysitter? With easy-to-read language and illustrations on almost every page, the Captain Awesome chapter books are perfect for beginning readers.

Customer Reviews

Stan Kirby tied a beach towel around his neck and became Super Commander Beach Boy when he was six years old. When Stanâ™s not creating the awesome adventures of Captain Awesome, he

loves reading comic books, eating okra, and hang gliding (but not at the same time). George O'Connor is the creator of the New York Times bestselling graphic novel series Olympians, in addition to serving as the illustrator of the Captain Awesome series. He is also the author and illustrator of the picture books Kapow!, Ker-splash, and If I Had a Triceratops. He resides in his secret Brooklyn, New York, hideout, where he uses his amazing artistic powers to strike fear in the hearts of bad guys everywhere!

Captain Awesome vs. the Evil Babysitter

Super Cute & FUN Series!

My 1st grader loves this series of books. He has nearly all of them and they never disappoint! I believe they have an AR reading level around 4, which is slightly above where my son is leveled at so he does have difficulty with some of the words. That hasn't discouraged him from reading them at all! When he gets a new book he doesn't put it down until he is done.

Great condition. Son loves the stories and finishes them in a day.

I bought this book for my grandson for his 8th birthday present. He loves it. Surely a great choice to encourage reading.

My grandson loved it. Wants to read more.

I bought these books originally for some reluctant readers in my classroom. It turned out to be a huge success and I ended up purchasing the entire series.

My five year old loves this series. He and his Dad read them every night before bed. We first chose the book about soccer but then purchased all of the others because he enjoys the characters so much.

My grandson loved it. Said it was best of the series. A "page turner"!
