The Third Plenary Council of Baltimore was an American assembly held in the nineteenth century. Presiding were Archbishop Gibbons, the Apostolic Delegate, in addition to thirteen other archbishops, sixty-one bishops or their representatives, six abbots, and a religious general. Its sessions were held from the ninth of November to the seventh of December, 1884, and were

comprised of twelve decrees. The Third Council is most noteworthy for the vigorous Catholic school building campaign which it spawned, commanding all parishes to provide Catholic education. It also produced the popular Baltimore Catechism for schoolchildren.

Very short and concise summary of the Catholic faith that is very useful for new Catholics undergoing inquiry or discernment. This book is also an excellent review for current Catholics. Baby boomers will recall the blue covered Baltimore Catechism when we were kids. This is an updated version.

Baltimore Chetechism Two is an excellent addition to Parish Catechist in teaching 7th,8th,grade students and those preparing for the Sacrement of Confirmation. The book explains in clear text Christian Doctrine. Highly recommended to assist in teaching clear lessons Catholic doctrine. Well worth the investment.

Exactly what I remembered from my grammar school days back in the 40's. It has come in handy for instructing a young boy in the fundamentals of the Catholic religion. He's a teenager and a little more advanced than his younger brother.

Just as you remembered when you were a kid. New cover and photos but everything else is the same.

I was looking for something to provide me with an historical perspective - and this met the requirement. Very helpful information and well organized for my needs.

Loved it!

Very easy to understand. Would recommend for a new catholic.
