## Customer Reviews

Get the test bank! Worked great as a supplement to the review course I had purchased. I used this for the weeks leading up to the test as a way to get in as many questions as possible. Now that I am done with the exams I recommend this as a great addition to enhance your studying and get those tests done!

The Best Deal Ever!! Saved me lots of money. Thank you !

Pin didn't work. I called the wiley customer service # listed on the package--It was not working. Had to ask for a refund

Item description mentions "Multimedia CD Rom" but actually a "Pin" for online access only, valid for 1 year is delivered. Had to take refund of my order.

Not sure how the price is so much less than the official website, and I don't care to know. Product works and saved me \$\$\$

This test bank is great to pair up with the Wiley textbooks or to simply use for extra practice while utilizing another study program. It has a ton of questions and simulations that will definitely help you out come test day. Many of the questions are similar to the ones you will face on the exam. Try to run through the questions at least twice. The simulations are also good and will help you a lot when it comes to researching on the exam. If you are only using books to study at this point, buying this to experience what the actual test will feel like is absolutely necessary. I got mine for a few dollars over \$300 after tax here on . You can now purchase this for a mere \$220 from a third party seller. Both of these options are much cheaper than buying directly from Wiley, even with their student discount special.

Test bank is great but it does not specify which module you are at and does not link to the CPAexcel textbook explanation. The explanation why you got it wrong is not always detailed. The topics do not show subtopics with corresponding questions which is also important when studying. The access is good for 1 year only. I have been using this product for several weeks. Overall, it is a lot of questions to go through.

Excellent for test your self
