Customer Reviews

"I decided to review Creature Cookies because I know I can use some help with my cookie decorating technique...Some look like fairly simple designs, but they have personality. Others are a little more complicated. Most of them are above my current abilities. Which is great. I wouldn't want a book that showed me exactly what I already know what to do." - Donna Currie of Cookistry.com

I love this book! Ms. Carpenter is very adept when teaching the techniques needed to create these animals that you can also use on just about any others you want to decorate later. I also am so appreciate that she uses one cookie cutter for several different creations, thus saving me money. I have enjoyed trying these projects and by following the instructions, mine look almost as good as Ms. Carpenter's!
