Be Holy (Leviticus): Becoming "Set Apart" For God (The BE Series Commentary)

Synopsis

Discover what matters most to God. We serve a holy God. And as His children, God longs for us to pursue a life that is pleasing to Him. But what does this look like? The book of Leviticus provides the answer. Originally written for the ancient Israelites, Leviticus continues to offer timeless principles for living that remain relevant to believers today. This study examines those principles, and explores how we can cultivate holiness in our daily lives. Part of Dr. Warren W. Wiersbe's™ best-selling "Be Holy" commentary series, BE Holy has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe shares that personal purity matters a great deal to God. You'll find a fresh appreciation for the holiness of God, and be challenged to continually grow into the likeness of our Savior.

Customer Reviews

I am enjoying this book. Mr. Wiersbe knows how to explain the Bible. He is able to explain it so great and plain that even a little child will be able to understand him. So whenever you need a clear understanding of a particular book in the Bible check out Mr. Wiersbe's series. You will not be disappointed.

I have nearly all of Mr. Wiersbe's study books, and each and every one is written with much clarity, thought, and presented in such a way anyone can understand them and benefit from them as well.

You get to learn about a book no one ever touches. Wiersbe also connects the scripture to the New Testament to bring it more meaning and understanding of how it all is connected.

Filled with references to scriptures, the explanations relate well. The questions at the end of chapters are thought provoking.

Warren Wiersbe writes Biblical commentaries that are easy to understand while being informative too.

Great commentary for concise understanding. Good for any skilled learner of God's word.

As is coming to be expected, All of this series is just fantastic and offers excellent insight for a solid price.

relative information, great study accompaniment for Leviticus.
