Soccer Smarts For Kids: 60 Skills, Strategies, And Secrets

Synopsis

"Coach Latham has put one in the back of the net with a book that players, parents, and coaches will find useful. I recommend it for all soccer lovers." — Sam Snow, Director of Coaching, US Youth Soccer

The only soccer book for players ages 11 to 15 combining expert advice with essential soccer techniques for improving their skills. As a youth soccer coach for more than twenty years, Coach Andrew Latham sets kids up for success in Soccer Smarts for Kids with his no-fluff, easy-to-understand strategies and cover-to-cover tips — from goal setting and staying fit to pre-game prep and mental motivation. Coach Latham preps young players to be their best by sharing soccer secrets, exercises, and tricks for kids to develop their skills on the field, with: Basic to advanced techniques so kids can move at their own pace Player profiles highlighting six superstar soccer players (including Lionel Messi and Alex Morgan) Playbook essentials featuring color photos and custom diagrams Need-to-know terms to crack the code of fundamental soccer definitions Soccer fans will improve their game, play smarter, and have more fun with Soccer Smarts for Kids.

Birthday gifts for my 9 year old daughter and her best friend. Simply, concise chapters that are readable and doable for their age. I love the Soccer IQ books (Dan Blank) Soccer iQ: Things That Smart Players Do - for adults, but this one is written and targeted at kids. which made perfect the girls.

This is one my son's most invaluable books to learn and read for his skills in football/soccer. The techniques and strategies are easy to follow and easily practiced. He is so much more knowledgeable about the game of soccer now - non-stop soccer for him! The book explains the skills in an easy to understand manner for any novice or beginner in the sport.

If you want a book that literally spells how to play soccer, this is it. I am a huge soccer fan but I don't know much about the technicalities of the sport but after reading this, I feel a lot more knowledgeable. It's written for kids but adults can follow along too if you wanna get into soccer. No cons, great book. I received this product in exchange for my honest and unbiased opinion.

Gifted to my soccer loving nephew. He is 7 and loves this book. Took it to read at bedtime the day he got it.

Good book for a young soccer player interested in "strategy". Makes a nice present.

the boy I gave it to loved it he said he learned some "stuff"

Excellent book. Great for experienced soccer parents or those new to the game. Wonderful read and great for the sport.

as expected
