Stop Junk Mail, Scam Calls And Fight Identity Theft In 5 Minutes (or Less)

T.M. Wright

Synopsis

#1 Best Seller Just like you, I was tired of having a mailbox full of junk and constantly receiving scam calls. I knew there had to be a way to stop it. After my identity was stolen, due to a pre-approved credit card offer that was addressed to me, being placed in the wrong mailbox by my mail carrier, I learned how to never receive junk mail again. In just 5 Minutes you will: *Stop junk mail forever (including pre-approved credit card offers) *Stop companies from accessing your credit report without your permission *Stop people search websites from posting your personal information online *Stop financial fraud of children, the elderly and deployed active-duty military personnel *Subscribe to our YouTube page and receive weekly updates on how to protect your personal information: <http://bit.ly/2u9lzpilt> took me years to gather all of the information that you will now have easily available in Stop Junk Mail, Scam Calls and Fight Identity Theft in 5 Minutes (or Less).

Customer Reviews

I really like how this book gives you all the information you need, with direct links to the websites

that are listed and it's all done without a bunch of unnecessary chit chat. I followed the instructions as I read it, and nothing took me longer than a few minutes. I cannot wait to see my mailbox empty for the first time ever.

This book was really awesome. Not only does it provide you with the tools to stop that unwanted junk mail and scamming calls, there are links provided that help you with everything. This was a real charm and worth every cent.

Book is simple to read. It is quick & to the point. Plus a great price

Great reading a much have in your library to protect your identity

I knew a few things to do that were in the book, but it opened up my eyes to a whole new world of solicitation. I wondered why I kept getting junk mail after following what I kept finding online. I didn't know about all the other companies that exist that also needed to opt out of. Great info.

I bought this book a few months ago and let me tell you it works! I have been trying for years to stop junk mail and I just gave up because I didn't think it could be done. After following everything in this book, let me tell you that it can be done! I haven't received any junk at all in over 2 months.
