Sneaky Minecraft Ideas You Probably Never Knew (Guide To Exploration): Unofficial Minecraft Guide

Synopsis

WHAT TO EXPECT...inside "Sneaky Minecraft Ideas..." From the Bestselling Author of Minecraft Art of War & 101 Minecraft Tricks I've played Minecraft so much that i can no longer differentiate which is real-life and which is not. But during this time I've come across some of the sneaky tricks that was pretty awesome to me. Here I share a few of those sneaky ideas...I won't repeat the same-old ideas like "don't mine straight up or down" but instead focus on ideas you probably haven't come across before...Minecraft is unlike any other ordinary game. It is a world in which you can unleash your inner creativity & ideas to build just about anything and there's always something new just round the corner. Minecraft constantly supplies you with ideas for what to do next. In the single-player survival mode, your first priority is to make shelter and safeguard yourself from monsters. You then start gathering the necessary resources to make your sanctuary. Next you begin to excavate minerals and ores that can craft better weapons, armor and building materials. But something unexpected happens as you might uncover an extensive cavern system to explore, or even get attacked by mobs. This game throws a creative spin into any of your pre-existing plans & expectations. If you've been playing Minecraft for a while now and you think you have done it all, well look no further...This Kindle book aims to save you weeks and months of playing just to find out what I'm about to share with you today. You will be able to Steal some of my most precious notes to help you in your quest to show off to your friends..."Click to LOOK INSIDE" the book to find out more on what you can Discover by Downloading this book!
