National Parks Classic Posters 2017 Wall Calendar

Synopsis

The National Parks Classic Posters calendar celebrates America's national parks with style. Inspired by vintage poster art from the late 1800s to the mid-1900s, these original posters were created by the Anderson Design Group to spotlight great travel destinations and points of interest. Dramatic perspectives created with vibrant colors and well-crafted lettering add to the retro vibe of these posters. National Parks Classic Posters 2017 is a twelve month calendar with spacious grids with international holidays and moon phases. There are sections at the back of the calendar for emergency contact information and birthdays/anniversaries and a full-page 3-year at-a-glance. Earth friendly, printed with soya-based inks on FSC certified paper.

Customer Reviews

I was really excited to get my third straight year of this calendar but when it arrived I noticed they had changed the format of the calendar so that you cannot use the posters as posters anymore because they are cut in half due to extending the poster past middle binding! So they are no longer frameable after you use the calendar because there is a noticeable line across the middle of the poster!!!! They are no longer "ready to frame posters" like it was advertised. Sucks I really liked the calendar but now will no longer be purchasing them until they change the design!!!

I'm really digging the artwork on this calendar. However, I noticed when I put the calendar up on my wall that the corners are bent. Kind of takes away from the calendar itself.

I love these vintage calendars. I bought one for 2016 and had to have another one. Well done.

Fabulous quality! My brother who worked for the National Park system will love this for Christmas!

Great calendar

Live the Anderson Design groups stuff.

Great
