Alexander The Great And His Time

Synopsis

He was trained by Aristotle in every branch of human learning, conquered much of Asia, and was one of the greatest leaders in the history of the world. He greatly influenced the spread of Hellenism and is responsible for profound changes in the course of world development. "To be mystical and intensely practical, to dream greatly and to do greatly, is not given to many men," says Agnes Savill; "it is this combination which gives Alexander his place apart in history. Aristotle had taught him that man's highest good lay in right activity of mind and body both. [Alexander] gives a strangely vivid impression of one whose body was his servant."

Book Information

Audible Audio Edition

Listening Length: 10 hours and 46 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Blackstone Audio, Inc.

Audible.com Release Date: August 29, 2017

Best Sellers Rank: #73 in Books > Audible Audiobooks > History > Ancient #137 in Books > History > Ancient Civilizations > Egypt #214 in Books > History > Ancient Civilizations > Greece

Customer Reviews

I found that this volume awakened a classical education from my youth in a religious school patterned after the German system called Gymnasium which covered high school and two years of college. I remember, and the Greek way is not forgotten. Thank you.
