Leisure Arts is a leading publisher and distributor of "how-to" and lifestyle publications with emphasis on creative crafts, needlework, decorating, and entertaining. Leisure Arts is located in Little Rock, AR.

For the most part, I like this pamphlet. It has a decent assortment of colorful Christmas patterns. I especially like the Saguaro cactus adorned with Christmas lights and also, the nativity scene. I plan to turn the smaller patterns into frig magnets to enclose with my 2014 Christmas cards. Can't wait to get started! Leisure Arts has always been my first choice.

I have already made several ornaments from this book. The patterns are done in color which is really very nice to follow. If I were going to make one change, it would be to illustrate all of the

patterns in the book. It is helpful to me to be able to see how the item is supposed to look when finished, but the covers didn't show all of them. That would not deter me from buying another similar book.

I love this set of cross stitch miniatures. Patterns include a really good set of 12 days of Christmas ornaments. I only wish that I could find the gold plastic frames. They used to be available at craft shops everywhere.

Great selections!! I have used wooden drapery rings as frames in the past with these designs. Makes a neat tree ornament and/or gift.

This book is perfect for my plans. I am going to use these pictures in crochet.

A friend just became a first time Grandmother. In helping her find patterns for needlepoint Christmas ornaments, I pulled out some of my books and borrowed one from another friends, and realized I wanted to do a bunch and so have ordered it. Great patterns and i liked the multiple finishing ideas presented. I'll do some for my granddaughters too!

Great book to do cross stitch Christmas ornaments on paper - was loooking for a Navity scene that was not too big and there is one in this collection. Rare to find a cross stitch book now with this quality of ornaments.

so cute
