This is so pretty! I love all images!

Absolutely adorable book!

Awesome! Edwina is a fantastic artist. The pictures are beautiful and very well drawn. I look forward to buying more of her art.

I have most of this artist's books. As soon as they are available I run ahead and purchase them, always pleased. The designs are a mix of simple and moderate difficulty but what I like most is that the pictures lend to a more creative coloring. Giving space to blend, shade and maybe even add some doodles if you're inclined. And seriously, you get 2 of each picture, one with night/dark/black backgrounds---a great value. I highly recommend if you enjoy cute art, if you enjoy cute art and swear look at her other books!

This is a great book. I really love the owls and their big huge eyes. I seen the video on this book but it in no ways really shows how beautiful this book really is. I am glad I got it and I highly recommend this book to anyone.

Absolutely love this book!! So many cute pages to color and I like that some pages have the black background. I'm a big fan of Edwina McMamee's work an own all her books!

I love this book ! Edwina's pictures are so cute and so fun to color. I highly recommend this book. You won't be sorry.

I love Owls! And this is a must have adult coloring book if you do too. I love all of the owl designs and can't wait to start coloring in this book!
