## Customer Reviews

Modern Tap Dictionary has been compiled in the interest of standardizing tap terms. This dictionary includes both standard and commonly used terms and affords the tap dancer a scope of knowledge essential in the interpretation of terminology.

from book's Preface

This dictionary was recommended by my tap dancing teacher and I was very excited about getting it. This book has some tips that will help me out but the truth is that it is very confusing to me and it don't give me what I was looking to find out on it.
