Alaska Atlas & Gazetteer

Synopsis

Wouldn't it be nice to always have exactly the right kind of map, whatever your needs may be? You will, with the uniquely versatile DeLorme Atlas & Gazetteer Series. These topographic atlases cover individual states with the most comprehensive detail available, including back roads, backwater lakes and streams, boat ramps, forests, wetlands, trailheads, campgrounds, public lands, prime hunting and fishing spots, and countless landmarks and points of interest. You'll also find a wealth of information on everything from family outings to wilderness adventures. The Atlas & Gazetteer is ideal for outdoor recreation, business travel, home or office reference, and countless other uses.

Customer Reviews

DeLorme has been directly responsible for many of the major technological advances made in the mapping industry over the past 30 years.

very useful - we learned a lot about Alaska from study of these maps - will be practical when living in Alaska also

I love to travel some of the really back roads and this series is very helpful. I just wish they'd put date on the front so I could more easily tell new versions from older ones.

A publication packed with useful information that is easy to understand. A must for any traveler heading to the last land frontier in the United States. Besides superior and information packed maps, the Alaska Atlas & Gazetteer provides readers with amazing insight into the culture, the settlement, the exploration and the little known facts that help readers develop an overall understanding of the state. The publication provides a remarkable insight into the Native-American population. Finally it provides pointers on where to go. I used this publication to plan my entire first visit. I love information on paper. The maps alone are worth hundreds of dollars.

Quality is superb

Always informative.

good

I'm just now going over the maps and making our trip planner so far it looks good and is probably the best information we have received

Love it!!! It arrived quickly and perfectly...
