Bonnie Fitzgerald is a professional mosaic artist and educator. She is the founder and owner of Maverick Mosaics, a studio dedicated to teaching the art of mosaics. Bonnie teaches at many locations, including the Smithsonian Institution in Washington, D.C., and leads international workshops and travel adventures. Her company also fabricates architectural mosaics and designs and creates commissioned mosaic artwork for interior designers, landscape architects, and private clients. As a past executive board member of the Society of American Mosaic Artists Bonnie has long been instrumental in raising awareness of mosaic as an art form. She is the author of 300+ Mosaic Tips, Techniques, Templates and Trade Secrets, also available from Trafalgar Square Books.

One of the best mosaic books I have seen. There is an earlier edition which is good too, but I really like this one.

I read the book little by little because I didn't want it never ended. It's an excellent guide not only for beginners but professional mosaicists as well.

Great source of reference great tips.....Highly recommend.

Inspiring photographs; professional-level projects; well-organized; clearly written; packed with helpful tips.

Bonnie's books are always full of great and helpful ideas whether your are a new or seasoned mosaic artist. Good stuff!

Book includes clear instructions and helpful pictures. Chapters are nicely sequenced. I would buy it again and you should consider it.

Best book out there

Very good collection of photos and ideas. Provides an overview of mosaic history, tools, materials, and techniques. High quality photos. Showcases some very good and unique projects.
