# Who Is Richard Branson? (Who Was?)

## Synopsis

What would you do with a billion dollars? This question gets a definitive answer from billionaire Richard Branson:Â do everything!Â Born into a wealthy family in London, Branson suffered from dyslexia and was a poor student. Still, his knack for business started early with a successful parakeet-breeding enterprise at age 11. The charismatic entrepreneur launched his first major business, Virgin Records, at age 22 and spent the next few decades building the Virgin group that now includes more than 400 companies. Known for his eccentric lifestyle and trillion-watt smile, BransonÂ¢â ¸s hot air balloon flights, innovative leadership, and world record attempts have made him an instantly-recognizable global icon.

Michael Burgan has written more than two dozen biographies for young readers. HisÂ Breaker Boys, about photographer Lewis Hine and his depiction of child labor, was named one ofÂ SLJ's 20 Outstanding Nonfiction Books of 2013.

Who Is Richard Branson?During the 1950s, the Branson family took a vacation to the beach in

Devon, England. On the trip, five-year-old Ricky's aunt Joyce made a bet with him. She would pay him if he could learn to swim before the end of their vacation.

Great biography series that all kids will enjoy. My students (4th grade) can't seem to put them down. I've had them in my room for the last few years and they just eat them up. The content is easy to understand and it provides great information on each person/topic along with a timeline in the back. Great for parents and teachers alike.

My 8 year old son loved this book. I also loved hearing about Richard Branson's history and was reading his autobiography for adults while my son read this one. We are big fans!

My son found this book very interesting and entertaining- he's in 6th grade. Good, quick read for kids who are interested in learning about the lives well known people.

Love, love, love this series! Have not been let down with the collection we have amassed!

Awesome book!
