This is a great songbook from their Christmas CD entitled the same as the Book. Now at this writing, the songbook (folio) is out of print. So hopefully you can find it from another user, used and in good shape. This is a great material to use for High School Choirs, Church Choirs etc. I rated this 4-stars only because my favorite song on here "Don't Save it All For Christmas Day" written and recorded also by Celine Dion on her Christmas CD...but I come to let you know, don't be fooled...Avalon's own JODY MCBRAYER does a way better version than Celine does. Although Jody is no longer with the group as of 2008, due to a heart condition. He also has a solo cd out entitled THIS IS WHO I AM (PICK IT UP), which he recorded a few years prior when AVALON took a small hiatus. But back to "Don't Save It All." The song is recorded in the key of Db (D-flat), but they conveniently transcribed it a key lower (C) in the songbook. Leave as is, and if I wanted to transpose it up or down, give me the freedom to do that. Other than that, great CD. One of the best Christmas CD's out there, and a songbook to go with it--how wonderful! I finally got my own copy for under \$[...] here on . Shame other users have copies of this folio and are gouging up the price to almost \$[...]. GET THE BOOK TODAY! :-)
