## Customer Reviews

I like this book so much so I wish I could give you 90000000000000000000000000 stars or even more! Your books are the best and I also like that you always end a human's or a mob's story with a happy ending for example. In this book which is a diary of a separated magma cube you end the diary by when magma is almost died he was back in his home (the nether fortress) and he said to the magma cube ,, lets live together. I also like your books because your books have lots of action in it. Very very very very very very very thank you Crafty Nicole for spending your precious time on writing these awesome books. also I would appreciate if you write a book and the title is named diary of a separated magma cube book 2 which is about him getting lost in the overworld. -wonsuk hwang

WRITE ANOTHER ONE OR YOU WILL PAY! Seriously, I can tell Crafty Nicole was planning on writing another one, (because who would introduce something new if it wasn't important?) but if he doubts his choice, then I don't know what I'll do. I sat this because I want to be here more! I can't believe I didn't buy this before! Keep Writing! -infourai17

I love this book and it made me very emotional at the end. I am so happy that Crafty Nicole's books come out so fast. I mean how do you do that. Is Crafty Nicole a magician or something! I love Crafty Nicole's books. If you have not read this book yet you NEED to :) :) -Ivy

No other author will beat your books. Also, for the Roblox noob series I suggested for you, you should write about how the noob plays fighting games and always dies. I also read all your books and they're awesome. For the most awesome reviewers list, call me Luke
