Customer Reviews

This book is probably the best buy I have ever made. It is so completely eye opening that I cannot even express in words how I feel about it. I will try though. After 20 years of turning my back on Messiah and Christianity in general due to lack of any meaningful upbringing, and lack of any meaningful understanding, I have finally found my Beloved Savior for the first time. I began my quest to know God the Father and Jesus the Son by reading my Bible for the first time all the way through. While I gained some knowledge I know most of it slipped by me and that is when I began

searching for a deeper truth. And I found this treasure of truth by Zola Levitt. What a gift we are given and it has been hidden in plain sight right in front of our eyes the entire time. Thank you Zola Levitt for helping ones like me gain a better appreciation of the amazing gift of our Messiah. If you are a Christian, a Follower of Jesus Christ, a believer in Messiah... and you do not know the meanings of the Feasts of Israel, aside from basic surface knowledge of them, you must read this book. I guarantee it will change your whole understanding and take you deeper spiritually.

I loved the way Zola showed the connection between the feasts in the Old Testament and the Rapture. Even though I have been a Christian since age 9 and am now 73, I never learned much about the feasts. I am really sorry that I waited so long. Most pastors do not preach a lot about the OT and it is a shame. The OT is revealed in the NT and the NT is hidden in the old. It is paramount that we learn about both in order to have a good understanding of God's word. I am working on learning as much as I can about God's people Israel and praying each day for peace in Jerusalem as we are instructed in Psalm 122. Things are happening very fast and end times are approaching quickly. We need to be as prepared as possible and that includes knowing how the feasts and the blood moons fit into end times things. D. Zola Levitt was an incredible teacher. He had a very meek spirit and getting Biblical instruction from Zola makes you feel like you're learning from your own grandfather. I hope at some point that Zola's mini books will be offered as one collection for the Kindle. "The Seven Feasts of Israel" is well written and it is a great read. The mini book makes for a good starting point on the subject, but over the years more in depth books on the Feasts have been written. Still, at \$1.99 it is a good buy. I recommend that you purchase "Feast On This" by Susan Sumner for a more in depth study of the Feast of the Lord. "Feast On This" is available for the Kindle and is currently priced at 99 cents.

Really great book, gives you a good indept look and history on how everything happens with the Jewish feast and how it lines up with before Jesus was here and how it leads up to Jesus and when Jesus dies and raises from the dead, it goes hand in hand!

Zola is a great teacher of the truths of God whose teaching extends to us & future generations, even though he has gone on to be with the Lord. He takes us through the first feasts of Israel with good application to the Christian life. However, there are some applications that seem a bit speculative. This is especially true in the section on pregnancy & child birth...some of this chapter seems a bit of

a stretch. Nevertheless, a good book.

AAAAAAA+++++++

I read this many, many years ago. During a Bible study at church, we began discussing the Jewish feasts and I remembered this book. I couldn't find the old copy I had but was thrilled to find it on and in Kindle format! Also, as an Obstetric RN for 40 years, the comparison study regarding the feasts and the development of a human totally is awesome. I know Zola has been rejoicing in Heaven for several years now, but his teachings go on!!

This is an amazing jewel of a book on how Christ fulfills the 7 feasts of Israel.
