Mary Queen Of Scots

Synopsis

Author of Marie Antoinette She was the quintessential queen: statuesque, regal, dazzlingly beautiful. Her royal birth gave her claim to the thrones of two nations; her marriage to the young French dauphin promised to place a third glorious crown on her noble head. Instead, Mary Stuart became the victim of her own impulsive heart, scandalizing her world with a foolish passion that would lead to abduction, rape and even murder. Betrayed by those she most trusted, she would be lured into a deadly game of power, only to lose to her envious and unforgiving cousin, Elizabeth I. Here is her story, a queen who lost a throne for love, a monarch pampered and adored even as she was led to her beheading, the unforgettable woman who became a legend for all time.

Customer Reviews

Ã¢ "A book that will leave few readers unmoved.Ã¢ • San Francisco ChronicleÃ¢ "She was sometimes reviled as a scheming whore, sometimes revered as a misunderstood martyr. But she was invariably regarded as fascinating. Antonia FraserÃ¢ "s richly readable biography demonstrates that MaryÃ¢ "s great fascination continues unabated.Ã¢ • The Columbus DispatchÃ¢ "One of the most fascinating figures in history.Ã¢ • The New York TimesÃ¢ "With grace, sensitivity and a sharp eye for detail, Lady Antonia Fraser has succeeded not only in recapturing the real Mary from the symbol but also in illuminating the chaotic age in which she lived.Ã¢ • Newsweek

Author of Marie Antoinette She was the quintessential queen: statuesque, regal, dazzlingly beautiful. Her royal birth gave her claim to the thrones of two nations; her marriage to the young French dauphin promised to place a third glorious crown on her noble head. Instead, Mary Stuart became the victim of her own impulsive heart, scandalizing her world with a foolish passion that would lead to abduction, rape and even murder. Betrayed by those she most trusted, she would be lured into a deadly game of power, only to lose to her envious and unforgiving cousin, Elizabeth I. Here is her story, a queen who lost a throne for love, a monarch pampered and adored even as she was led to her beheading, the unforgettable woman who became a legend for all time.

I thoroughly enjoyed this historical biography of Mary, Queen of Scots. I had been watching a TV series about Mary, and found I wanted to know more about the facts. So, I got this book. I did not regret it.

Good

So dramatic!

An educational story that must be read and re-read. Thanks to Antonia Fraser for the book.

A valuable look at a time of change, an insight into the intrigue, hopes and fears that led us away from the concept of kings and although Shakespeare is not central to this marvelous book it is clear that the dangerous subjects of his historical plays came from a place of political gangsterism not so different from our own time.

A pretty good read. I have read several books on Mary and watched movies as well and this is one of the more thorough biographies I have come across. At some points it was a big long-winded and the author repeats several facts over and over again like an encyclopedia but once you get past some of those small bits things start to pick up. If you haven't even read anything about Mary this would be a great place to start.

This book was excellent. The best information that I have found so far on Mary Queen of Scots. I didn't know much about her, only that she was a prisoner of Elizabeth I, but wanted to know how this happened, also with her suspect choice of husbands and the things that happened to them. The

only down side was there was a few french phrases in the book that weren't explained in english, but you pretty much get the drift of what the author was saying. Great read.

A very detailed but also very readable biography of an extraordinary life.
