K-Gr 2-A brief note to parents and teachers at the beginning of each book suggests how to address the topic with a child; for example, in Stranger Safety, the author says, "Make sure your child understands that behavior that would normally be considered unacceptable-such as kicking, biting, and fibbing-is acceptable, even advisable, when dealing with strangers." Each book has bright, clear, contemporary photographs that are attractive, abundant, and relevant to each situation. The large, readable texts include a balance of dos and don'ts. All of the titles conclude with a summary of safety tips and a "Words to Know" section that pictorially represents four important terms having to do with that topic, such as "fire," "firefighter," "smoke alarm," and "toaster" in Fire Safety.
