Customer Reviews

Poor grammar, poor spelling, poor syntax. Hope the facts are more accurate!!! Thankfully, the book is wonderfully written if a bit wordy.

I was moved from the first page and has kept me glued ..Love, life, truth, suffering ... all this you will

find in these pages. Young men in Hitler's time. You must not lose it.

I like the flow of the story. It is great to finish the story in a snap. This will really touch the heart of the readers. If you want to have an inspiration when you're down, then you can definitely have this book handy. This will give you an entire different meaning of life. This will even change your faith and way of living. This is ideal for people who are losing their path.

As a teacher, I was expecting more. It's OK.
