San Antonio In Color

Synopsis

San Antonio in Color contains ninety paintings of San Antonio landmarks, neighborhoods, and local attractions painted by Trinity alumnus Bill Thompson ('88). Thompson uses flamboyant colors to paint animated, evocative scenes that have a touch of van Gogh and a hint of Raoul Dufy. Thompson works in a bold mixed-media style that incorporates watercolor, pastels, acrylics, and oil paint sticks. The book will contain paintings of popular tourist sites-the Missions, the River Walk, the Governor's Palace, and La Villita; San Antonio views that are slightly off the beaten track-a Southtown ice house, trail riders to the Stock Show and Rodeo, a West Side tacquerÃfÂ-a, and the Liberty Bar; and cultural institutions-Trinity's tower, the Witte Museum, the Guadalupe Cultural Arts Center, the Carver Community Cultural Center, the McNay Art Museum, and the San Antonio Museum of Art. These places are just a sampling to indicate the range of views shown. Accompanying the paintings will be pithy quotes from notable, colorful, and celebrated people, both visitors and residents, who have said something memorable about San Antonio. Passages will be drawn from all eras, with a concentration on the more contemporary. In addition, "San Antonio Highlights," by Jenny Browne, describe the sites pictured.

Customer Reviews

I ENJOYED THE PICTURES.

I was fortunate enough to attend college with the artist, Bill Thompson, and see his work back in the

day. It's a pleasure to see his beautiful representations of this wonderful city, and this book will be a wonderful remembrance for anyone who's visited San Antonio or wants to.

This book is a wonderful depiction of San Antonio interpreted through the artist's unique and bold style. A great coffee table book, gift for anyone who collects WB Thomson's work or has a connection to San Antonio.

I got this book as a Christmas present, as the giver knew of my affection for Mr. Thompson's art. It captures the colors and style of San Antonio and the Southwest extremely well.
