Proof that Gerson's therapy worked, back in his time...and still works today to heal cancer & other chronic illnesses. Your body/immune system has the power to heal if you give it the building blocks.

I'm living proof. This book contains many old cases that were treated by Dr Max Gerson himself. Amazing! The book was delivered quickly & packaged properly.

A great read and a must read for everyone with or without cancer or other health problems

Good book, and company is excellent to work with. Thank you!

I would recommend this book to everyone who cares about living a healthier life and for those who have cancer or who have a loved one with cancer. There seems to be an effective way to cure cancer and the book proves it by describing 50 cases of patients who have been cured, without making use of the current conventional and aggressive treatment available. Read it and spread the word!

Read a little and gave to my mother-in-law who was just diagnosed with lung cancer.

A must have

Good!

received another book instead of this one.
