Rick Steves Snapshot Dubrovnik

Synopsis

You can count on Rick Steves to tell you what you really need to know when traveling in Dubrovnik. In this compact guide, Rick Steves and Cameron Hewitt cover the essentials of Dubrovnik, including Pelješac Peninsula, Mljet National Park, and Trsteno Arboretum. Visit Dubrovnik's main promenade known as The Stradun, or stroll the scenic mile-and-a-quarter around the city's town walls. You'll get firsthand advice on the best sights, eating, sleeping, and nightlife, and the maps and self-guided tours will ensure you make the most of your experience. More than just reviews and directions, a Rick Steves Snapshot guide is a tour guide in your pocket. Rick Steves Snapshot guides consist of excerpted chapters from Rick Steves's European country guidebooks. Snapshot guides are a great choice for travelers visiting a specific city or region, rather than multiple European destinations. These slim guides offer all of Rick's up-to-date advice on what sights are worth your time and money. They include good-value hotel and restaurant recommendations, with no introductory information (such as overall trip planning, when to go, and travel practicalities).

Since 1973, Rick Steves has spent about four months a year exploring Europe. His mission: to empower Americans to have European trips that are fun, affordable, and culturally broadening. Rick produces a best-selling guidebook series, a public television series, and a public radio show, and organizes small-group tours that take over 20,000 travelers to Europe annually. He does all of this

with the help of a hardworking, well-traveled staff of 100 at Rick Steves' Europe in Edmonds, Washington, near Seattle. When not on the road, Rick is active in his church and with advocacy groups focused on economic justice, drug policy reform, and ending hunger. To recharge, Rick plays piano, relaxes at his family cabin in the Cascade Mountains, and spends time with his partner Trish, son Andy, and daughter Jackie. Ever since, he has spent three months each year in Europe, contributing to guidebooks, tours, radio and television shows, and other media for Rick Steves' Europe, where he serves as content manager. Cameron married his high school sweetheart (and favorite travel partner), Shawna, and enjoys taking pictures, trying new restaurants, and planning his next trip.

Don't go ANYWHERE when you travel without a tour/walk/guide from Rick Steves. His reviews are always spot-on. His tours take you to the places you want to see and explain the history of what you're looking at. This guide shows you the myriad of amazing things to see in the walled city of Old Dubrovnik....this city is a "must see" and was one of our best "surprises" on our recent trip. This guide makes sure you see everything there is to see in this beautifully historic city.

Lots of information. I was particularly interested in walking the wall around Dubrovnik, and the book was very help.

Perfect for a quick and detailed review of the city and surrounding areas! Small, compact. Fits well in luggage when traveling compared to my other travel books.

We had a one afternoon cruise stop here and this book was a lifesaver. We were prepared for what we wanted to do (and not) and found the wine bar he recommended, which was a highlight. Hidden on a side street, you wouldn't just wander in. Without this, we would have just wandered like others we saw. Also bought his book on Athens with the same experience.

Helpful for a short stay in Dubrovnik. Maps worked well. Somewhat challenging moving back and forth between pages and back to find where you are on a walking tour map

If you're beyond hand held tours on buses, and only stay in places that cater to your "back home"

expectations, carrying "Rick" with you is the way to go.

A rare and informative booklet

This book also includes Montenegro not just Croatia. We're taking a cruise that includes both ports: Dubrovnik and Kotor. We wanted guidelines for what we could realistically do on shore without a ship outing. This guide seems to have just what we need.
