Customer Reviews

I'm reading the original of this book from 1853 and the pages are breaking off in my hands. Thinking I'd get a complete copy was my error. Don't buy this title from this publisher Forgotten Books. (Forget about them)

This is 19th century roaming 'archeologist' meets Indiana Jones in the desert of northern Iraq. For which he was knighted and sent many items to the British Museum, his sponsor.

Very informative
