Synopsis

Kim Wright Wiley has penned 22 editions of this book and really knows her stuff when it comes to planning an Orlando vacation and taking in the attractions at Walt Disney World, Universal Orlando, and SeaWorld. I love this book if you are a first time traveler to Disney (with kids). It gives great recommendations for possibly scary situations (fear factors) and also gives age recommendations. We are going for the 3rd time in 3 years and I purchased the latest edition for the new rides in Fantasyland and new maps. My only complaint would be that the colors on the maps are a bit dim... it is difficult to tell walking paths vs buildings.

I have used this book for years. When ever we took our son to Disney I would purchase the latest edition and plan out our whole trip before we left. I just purchased this one and sent it to my nephew as he is taking his children there in the spring. The author offers many helpful suggestions and is an outstanding resource guide.

This book was REALLY helpfull in my first WDW experience! I'm not from US, so somethings are not as clear for me as it might be for an american citizen. It's quite well written; just the right amount of text of explanations.

Nice book with good information about Disney World. It keeps changing so much. Last time we were there it was 4 years ago and so much has changed. This helped plus it had information for the day we spent at Universal

Great information. Easy to understand. Many time saving tips. Should be read before you plan your trip but also kept as a reference during your stay. Always a good idea to check with Disney for unpublished deals.

This looks very helpful. We went last February and didn't have this book. Daughter and husband with two children are making the trip in 2 weeks. She now has most planned with help of book.

My wife and in-laws love this book. They are the planners of trips (not me) and have changed some things around our summer trip due to the tips found in this book. Very detailed.

Awesome book! Truly helped plan our week at Disney... What to do, how to do it, when to do it, what to ignore. Great planning book!
