so-so. Hard to put together a good book like this. I live in a beautiful CT town, full of NY tourists and it's barely mentioned. Good, I guess, but shows how many good things were missed.

I bought this for my parents as they had recently moved from California to Conn. They love this book as it has allowed them to find some great bedroom communities nearby. A true review would be from someone who knows the area, but for outsiders this was a great purchase.
