Customer Reviews

You'll get everything you need to know from this book. There are the best timing to schedule a visit and a meeting etiquette, and a list of main festivals and holidays. That opportunity to use Ayurveda looks very tempting as for me. And of course, I would like to visit Goa!

Great book if you are interested in traveling to India. The book provides great information for your trip as well as all the historical places you will want to visit on your journey. Highly recommended.
